Children love to be creative and this fabulous new magazine gives them everything they need to be a budding artist with lots of fun, simple and inspiring ideas along with a fantastic make and do gift."

"We've had a fantastic reaction from retailers and licensors and feel confident that *FTL Friends Art* will be a popular choice for pre-schoolers and another top performer for the Redan portfolio. *Fun To Learn Friends Art* will have an initial print run of 60,000 and will be on sale every four weeks.
